

# 18TH ANNUAL ORCHARD TO OCEAN RUN SATURDAY, MARCH 20, 2010

**TO BENEFIT THE CARPINTERIA UNIFIED SCHOOL DISTRICT**

Dear Supporter:

The Carpinteria Education Foundation is proud to present the **18th Annual Orchard to Ocean Run** on Sat., March 20, 2010 at Main Family Resource Center in Carpinteria. This district wide fundraiser supports all public schools in the district. Proceeds are awarded to each school, and are based on student population. Funds help finance various school projects, including classroom equipment (such as LCD projectors), swimming lessons for the 6<sup>th</sup> graders at Carpinteria Middle School, supplemental writing programs, and curriculum driven field trips such as the fifth-grade Catalina Island Marine Institute science trip. As state-funding is continually reduced, events such as this are increasingly important to ensuring the sustainability and success of our local schools.

Last year's event was another great success. Over 700 people participated and thousands of dollars were raised. The event also promotes health and fitness for students and their families and brings in many out-of-towners who look forward to the clean air, ocean-front course and Carpinteria's small town charm with great food, music, and a raffle.

We invite you to become a sponsor and help underwrite a portion of the costs. In return for your tax deductible donation, your company logo will be included in all advertisements, and on our custom t-shirt! **AND sponsors confirmed by February 3rd will be included on the race registration form and poster!**

Yes, we would like to support the students of Carpinteria by sponsoring Orchard to Ocean!
